RE: New Company Name

Via E-mail and U.S. Mail

Dear Valued Customer and Business Partner:

PAR Electrical Contractors, Inc., a leader in outside electrical construction since 1954, is excited to announce that effective January 1, 2022, through a series of internal corporate transactions, we will merge with and into our sister company, PAR Western Line Contractors, LLC. This is an exciting opportunity to promote efficiencies across our company and better meet our customers' needs through an increased range of services offered.

The company will continue to operate in its current manner and your contacts will remain unchanged. All our office locations, mailing addresses and telephone numbers will remain the same; however, we are moving our corporate office to a new location in Rancho Cucamonga, California:

11276 5th St., Suite 100
Rancho Cucamonga, CA 91730

On or around January 1, 2022, we will have a new internet address, which will be www.parwlc.com

The merger of PAR Electrical Contractors, Inc. into PAR Western Line Contractors, LLC will result in the Contract for Services of Independent Contractor by and between PAR Electrical Contractors, Inc. and Colorado River Commission of Nevada dated as of December 1, 2020 (the "Agreement") becoming an agreement with PAR Western Line Contractors, LLC. In accordance with the terms of the Agreement, please indicate your acknowledgement of and consent to these internal corporate transactions, including the ultimate merger and the substitution of PAR Western Line Contractors, LLC as the "Contractor" under the Agreement, and return a signed copy to Katie Hill at 4770 N. Belleview Suite 300, Kansas City, MO 64116.

The company's federal EIN will change as a result of this restructuring. As such, we are happy to provide an updated W-9 reflecting our new name following the completion of the corporate transactions. Additionally, we will be providing updated certificates of insurance and endorsements, as applicable, in due course.

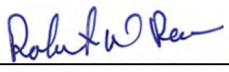

Should you have any questions, please feel free to contact Katie Hill at krhill@parelectric.com or 816-691-4263.

3. **CONTRACT TERM.** This Contract shall be effective as noted below, unless sooner terminated by either party as specified in *Section 10, Contract Termination*.

Effective from:	12/01/2020	To:	12/01/2024
-----------------	------------	-----	------------

4. **NOTICE.** All communications, including notices, required or permitted to be given under this Contract shall be in writing and directed to the parties at the addresses stated above. Notices may be given: (i) by delivery in person; (ii) by a nationally recognized next day courier service, return receipt requested; or (iii) by certified mail, return receipt requested. If specifically requested by the party to be notified, valid notice may be given by facsimile transmission or electronic mail to the address(es) such party has specified in writing.

5. **INCORPORATED DOCUMENTS.** The parties agree that this Contract, inclusive of the following attachments, specifically describes the scope of work. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT A:	STATE SOLICITATION OR RFP #LS-20-02 and AMENDMENTS #
ATTACHMENT D:	INSURANCE SCHEDULE
ATTACHMENT C:	CONTRACTOR'S RESPONSE

Any provision, term or condition of an Attachment that contradicts the terms of this Contract for Independent Contractor, or that would change the obligations of the State under this Contract for Independent Contractor, shall be void and unenforceable.

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in *Section 5, Incorporated Documents* at a cost as noted below:

\$ Agreed	per	Task Authorization
-----------	-----	--------------------

Total Contract or installments payable at:

Total Contract Not to Exceed:	\$1,200,000.00
-------------------------------	----------------

Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the result of legislative appropriation may require.

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. **BILLING SUBMISSION: TIMELINESS.** The parties agree that timeliness of billing is of the essence to the Contract and recognize that the State is on a Fiscal Year. All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to Contractor.

9. INSPECTION & AUDIT.

- A. Books and Records. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all State and federal regulations and statutes.
- B. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant State agency or its contracted examiners, the department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the state Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this Section. Notwithstanding anything to the contrary in this Contract, CRCNV shall not have the right to inspect or audit the makeup of any fixed, lump sum, unit price percentage markup, multiplier or any other fixed form of compensation.
- C. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the state, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

- A. Termination Without Cause. Regardless of any terms to the contrary, this Contract may be terminated upon written notice by mutual consent of both parties. The State unilaterally may terminate this contract without cause by giving not less than thirty (30) days' notice in the manner specified in *Section 4, Notice*. If this Contract is unilaterally terminated by the State, Contractor shall use its best efforts to minimize cost to the State and Contractor will not be paid for any cost that Contractor could have avoided. If CRCNV terminates this Contract without cause, CRCNV shall pay Contractor for Work completed prior to the termination.
- B. State Termination for Non-Appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- C. Termination with Cause for Breach. A breach may be declared with or without termination. A notice of breach and termination shall specify the date of termination of the Contract, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under subsection 10D. This Contract may be terminated by either party upon written notice of breach to the other party on the following grounds:
- 1) If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
 - 2) If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
 - 3) If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or

CETS#

RFP#LS-20-02

- 4) If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
- 5) If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
- 6) If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- D. Time to Correct. Unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in *Section 4, Notice*, and the subsequent failure of the breaching party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a notice of breach, the time to correct and the time for termination of the contract upon breach under subsection 10C, above, shall run concurrently, unless the notice expressly states otherwise.
- E. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:
- 1) The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
 - 2) Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so, requested by the Contracting Agency;
 - 3) Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so, requested by the Contracting Agency;
 - 4) Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with *Section 21, State Ownership of Proprietary Information*.
11. **REMEDIES.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. For purposes of an award of attorneys' fees to either party, the parties stipulate and agree that a reasonable hourly rate of attorneys' fees shall be one hundred and fifty dollars (\$150.00) per hour. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptcy Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.
12. **LIMITED LIABILITY.** The State will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the Fiscal Year budget in existence at the time of the breach. Contractor's tort liability shall not be limited.
13. **FORCE MAJEURE.** Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, pandemic, epidemic, quarantine, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases. Contractor shall be entitled to an equitable adjustment in schedule and

CETS#

compensation for any such events. Given the existence of the COVID-19 / coronavirus pandemic, Contractor will use its best efforts to staff and supply this project. However, anything to the contrary notwithstanding, Contractor shall have the right to seek an excusable extension of time if Contractor or its subcontractors and suppliers are unable to maintain planned crew sizes or work force due to the illness, supply shortages or governmental restraints on business, travel and/or assembly.

14. **INDEMNIFICATION AND DEFENSE.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of the Work done in fulfillment of the terms of this Contract or on account of any act, claim or amount arising or recovered under workers' compensation law or arising out of the failure of the Contractor to conform to any statutes, ordinances, regulation, law or court decree but in each instance, only to the extent caused by the negligent act or omission of Contractor. Contractor's obligation to indemnify the State shall apply in all cases except for claims arising solely from the State's own negligence or willful misconduct. Contractor waives any rights of subrogation against the State. Contractor's duty to defend begins when the State requests defense of any claim arising from this Contract.
15. **REPRESENTATIONS REGARDING INDEPENDENT CONTRACTOR STATUS.** Contractor represents that it is an independent contractor, as defined in NRS 333.700(2) and 616A.255, warrants that it will perform all work under this contract as an independent contractor, and warrants that the State of Nevada will not incur any employment liability by reason of this Contract or the work to be performed under this Contract. To the extent the State incurs any employment liability for the work under this Contract; Contractor will reimburse the State for that liability.
16. **INSURANCE SCHEDULE.** Unless expressly waived in writing by the State, Contractor must carry policies of insurance and pay all taxes and fees incident hereunto. Policies shall meet the terms and conditions as specified within this Contract along with the additional limits and provisions as described in *Attachment D*, incorporated hereto by attachment. The State shall have no liability except as specifically provided in the Contract.

Contractor shall not commence work before Contractor has provided the required evidence of insurance to the Contracting Agency. The State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent to this Contract. Any failure of the State to timely approve shall not constitute a waiver of the condition.

- A. Insurance Coverage. Contractor shall, at Contractor's sole expense, procure, maintain and keep in force for the duration of the Contract insurance conforming to the limits as specified in *Attachment D*, incorporated hereto by attachment. Unless specifically stated herein or otherwise agreed to by the State, the required insurance shall be in effect prior to the commencement of work by Contractor and shall continue in force as appropriate until:
- 1) Final acceptance by the State of the completion of this Contract; or
 - 2) Such time as the insurance is no longer required by the State under the terms of this Contract; whichever occurs later.

Any insurance or self-insurance available to the State shall be in excess of and non-contributing with, any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the State, Contractor shall provide the State with renewal or replacement evidence of insurance within ten (10) the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

B. General Requirements.

- 1) Additional Insured: By endorsement to the general liability insurance policy, the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 shall be named as additional insureds to the full limits of liability required by this Contract.
- 2) Waiver of Subrogation: Each insurance policy shall provide for a waiver of subrogation against the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 for losses arising from work/materials/equipment performed or provided by or on behalf of Contractor.

CETS#

RFP#LS-20-02

- 3) Cross Liability: All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- 4) Deductibles and Self-Insured Retentions: Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the State. Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall be borne by the Contractor.
- 5) Policy Cancellation: Except for ten (10) days' notice for non-payment of premiums, each insurance policy shall be endorsed to state that without thirty (30) days prior written notice to the State of Nevada, c/o Contracting Agency, the policy shall not be canceled, non-renewed or coverage and/or limits reduced or materially altered, and shall provide that notices required by this Section shall be sent by certified mail to the address shown on page one (1) of this contract.
- 6) Approved Insurer: Each insurance policy shall be:
 - a) Issued by insurance companies authorized to do business in the State of Nevada or eligible surplus lines insurers acceptable to the State and having agents in Nevada upon whom service of process may be made; and
 - b) Currently rated by A.M. Best as "A-VII" or better.

C. Evidence of Insurance.

Prior to the start of any work, Contractor must provide the following documents to the contracting State agency:

- 1) Certificate of Insurance: The Acord 25 Certificate of Insurance form or a form substantially similar must be submitted to the State to evidence the insurance policies and coverages required of Contractor. The certificate must name the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 as the certificate holder. The certificate should be signed by a person authorized by the insurer to bind coverage on its behalf. The State project/Contract number; description and Contract effective dates shall be noted on the certificate, and upon renewal of the policies listed, Contractor shall furnish the State with replacement certificates as described within *Section 16A, Insurance Coverage*.

Mail all required insurance documents to the State Contracting Agency identified on Page one of the Contract.

- 2) Additional Insured Endorsement: An Additional Insured Endorsement (CG 20 10 04 13 or CG 20 37 04 13), signed by an authorized insurance company representative, must be submitted to the State to evidence the endorsement of the State as an additional insured per *Section 16B, General Requirements*.
- 3) Schedule of Underlying Insurance Policies: If Umbrella or Excess policy is evidenced to comply with required limits, a copy of the underlying Schedule from the Umbrella or Excess insurance policy may be required.
- 4) Review and Approval: Documents specified above must be submitted for review and approval by the State prior to the commencement of work by Contractor. Neither approval by the State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its subcontractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under this Contract or otherwise. The State reserves the right to request and review a copy of any required insurance endorsement, as appropriate to assure compliance with these requirements.

17. **COMPLIANCE WITH LEGAL OBLIGATIONS.** Contractor shall procure and maintain for the duration of this Contract any state, county, city or federal license, authorization, waiver, permit qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract. 18. **WAIVER OF BREACH.** Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.
19. **SEVERABILITY.** If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
20. **ASSIGNMENT/DELEGATION.** To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations nor duties under this Contract without the prior written consent of the State.
21. **STATE OWNERSHIP OF PROPRIETARY INFORMATION.** Any data or information provided by the State to Contractor and any documents or materials provided by the State to Contractor in the course of this Contract (“State Materials”) shall be and remain the exclusive property of the State and all such State Materials shall be delivered into State possession by Contractor upon completion, termination, or cancellation of this Contract.
22. **PUBLIC RECORDS.** Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State has a legal obligation to disclose such information unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a “trade secret” or “confidential” in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of therecords.
23. **CONFIDENTIALITY.** Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this Contract.

 - A. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to Executive Orders 12549 and 12689 and Federal Acquisition Regulation subpart 9.4, and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.
 - B. Contractor and its subcontracts shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder, including 28 C.F.R. 27. **PROPER AUTHORITY.** The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. Contractor acknowledges that as required by statute or regulation this Contract is effective only after approval by the State Board of Examiners and only for the period of time specified in the Contract. Any services performed by Contractor before this Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor.
28. **DISCLOSURES REGARDING CURRENT OR FORMER STATE EMPLOYEES.** For the purpose of State compliance with NRS 333.705, Contractor represents and warrants that if Contractor, or any employee of Contractor who will be performing services under this Contract, is a current employee of the State or was employed by the State within the preceding 24 months, Contractor has disclosed the identity of such persons, and the services that each such person will perform, to the Contracting Agency.
29. **ASSIGNMENT OF ANTITRUST CLAIMS.** Contractor irrevocably assigns to the State any claim for relief or cause of action which Contractor now has or which may accrue to Contractor in the future by reason of any violation of State of Nevada or federal antitrust laws in connection with any goods or services provided under this Contract.
30. **GOVERNING LAW: JURISDICTION.** This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-law that would require the application of the law of any other jurisdiction. The parties consent to the exclusive jurisdiction of and venue in the First Judicial District Court, Carson City, Nevada for enforcement of this Contract, and consent to personal jurisdiction in such court for any action or proceeding arising out of this Contract.
31. **LIMITATION OF LIABILITY.** Notwithstanding anything else to the contrary, Contractor's liability hereunder, from any cause and based on any theory whatsoever, shall not in the aggregate exceed fifteen million dollars (\$15,000,000), hereunder, except to the extent of Contractor's (including parties under its control) willful misconduct, and/or breach of confidentiality provisions, and Contractor's indemnity obligations hereunder for third party claims.
32. **LATENT SITE CONDITIONS:** Anything to the contrary notwithstanding, should concealed or unknown physical conditions be encountered in the performance of the Work, below the surface of the ground or in an existing structure, of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in this Contract, the Contract sum and time for performance shall be equitably adjusted by Change Order.

**COLORADO RIVER COMMISSION OF NEVADA
AGENDA ITEM H
FOR MEETING OF MARCH 8, 2022**

SUBJECT:

For Possible Action: Consideration of and possible action to approve beginning the process to amend NAC 538.610 to add provisions related to the administrative charge.

RELATED TO AGENDA ITEM:

None.

RECOMMENDATION OR RECOMMENDED MOTION:

Staff recommends the Commission approve beginning the process to amend NAC 538.610 to add provisions related to the administrative charge.

FISCAL IMPACT:

None.

STAFF COMMENTS AND BACKGROUND:

A. Proposed changes to be considered:

The proposed regulation change involves two areas. The first change removes the projection of annual costs for two years and replaces it with a projection based on an average of at least three previous years' annual costs incurred and adjusted for future known and expected changes.

The second change removes the requirement to determine an administrative rate that is charged solely on the kilowatt-hours of energy delivered to the customers. The proposed language would allow the Commission the flexibility, if it was necessary, to base the hydropower administrative charge an allocation of fixed costs.

With the variability of hydrology and the variability of the nonhydroelectric purchases made on behalf of the industrial customers, the Commission's administrative fee revenue has declined over time using the method required by the regulation. Although the Commission is not anticipating the need to increase the administrative rate at this time, the regulation change would provide a tool for the Commission to consider in the future if such a tool was necessary to stabilize the administrative revenue.

B. Process for rulemaking:

Staff recommends the Commission approve beginning the process of amending NAC 538.610 related to the administrative charge. By approving the process to begin, the Commission Staff will hold a rulemaking workshop that will receive stakeholder comments and input on the proposed changes. Once the workshop is held and comments are taken, the Staff will bring the proposed regulation back to the Commission with a summary of comments received and any recommended changes to the regulation based on the input from the workshop.

NAC 538.610 Rates, charges and costs; requirement to notify Commission of certain decreases in load. ([NRS 538.181](#), [538.191](#), [538.201](#))

1. The rates or charges payable by a contractor to the Commission for capacity or energy from the Boulder Canyon Project, Parker-Davis Project or Salt Lake City Area Integrated Projects and for wheeling energy from the Parker-Davis Project or Salt Lake City Area Integrated Projects must be Western's effective rates or charges for those resources. These rates or charges, the Commission's administrative charge and any other costs associated with the contracted resource will be shown by a periodic report or by exhibits to the contracts for power from these projects. These rates, charges and costs may vary due to changing conditions. Some rates or charges may be estimated for a portion of an operating year with an adjustment, for the months the estimate is used, in the month the actual rate or charge is established.

2. At the time the Commission is notified by Western of any change in the rates or charges, the Commission will notify its contractors of the change.

3. The administrative charge is based on a projection of the Commission's costs of operations that is an average of at least three previous years' of costs incurred and adjusted for future known and expected changes of annual costs for the Commission's operations ~~for 2 years of all costs for the Commission's operations~~ relating to the contractors. Those estimated costs are divided by the total estimated number of kilowatt-hours of all energy, including both hydroelectric and nonhydroelectric, to be delivered to contractors to arrive at a rate per kilowatt-hour. The administrative charge estimated costs may also be collected in full or in part through a fixed charge based on allocations of total energy resources, hydroelectric and non-hydroelectric, provided to the respective contractor. Except as otherwise provided in subsection 4, the administrative charge may be increased or decreased after the Commission notifies the contractors of the grounds for the increase or decrease and the effective date of the increase or decrease, which must be not less than 90 days after the Commission sends the notice of the increase or decrease.

4. The Commission may use the expedited procedure set forth in this subsection to increase or otherwise revise the administrative charge if actual revenue from the

|

administrative charge is equal to or less than 70 percent of the revenue projected in accordance with subsection 3. The Commission's staff may develop a proposed increase or other revision to the administrative charge and, not later than 30 days before the Commission meeting at which the Commission will make a determination on the proposed increase or other revision, notify the contractors in writing of the proposed increase or other revision. The notice must contain a statement of the amount of, and the grounds for, the proposed increase or other revision and the date of the Commission meeting at which the Commission will make a determination on the proposed increase or other revision. The Commission will accept written comments from contractors regarding the proposed increase or other revision which are submitted not later than 15 days before the Commission meeting at which the Commission will make a determination on the proposed increase or other revision. In determining whether to increase or otherwise revise the administrative charge, the Commission will review the proposed increase or other revision to the administrative charge proposed by the Commission's staff, comments submitted by contractors in accordance with this subsection and any other relevant information.

5. As soon as practicable, a contractor planning, projecting or experiencing a decrease in its load of 30 percent or more for 90 consecutive days or more, in any 12 month period, shall notify the Commission of the decrease in its load.
