From April 21-23, 2008, the Southern Nevada Water Authority (SNWA) and the Colorado River Commission (CRC) are conducting an Educational Board Tour of the Lower Colorado River region. This tour is being provided as an informational and educational opportunity to heighten the awareness of issues, projects and facilities on the Colorado River. Attendees will include Board members of the SNWA and the CRC, as well as SNWA member agency representatives and staff.

The purpose of the educational tour is strictly to gather information. No action, deliberations or policy decisions will occur. The tour has been noticed to keep the public apprised of the Boards' activities. The educational tour itinerary is attached hereto.
