**APPLICATIONS WILL BE ACCEPTED UNTIL:** Applications will be accepted until the position is filled.

**POSITION DESCRIPTION AND RESPONSIBILITIES:** The Senior Accountant is a mid-level accounting position, without supervisory duties, reporting to the Lead Accountant of the Finance Group (Group). The position interacts with other Agency Group staff, employees of many other State Agencies and representatives of the Commission's customers. The Senior Accountant has a diverse set of responsibilities and must be adept at organizing his/her time, identifying priorities, meeting internal and external deadlines, managing, and maintaining professional relationships at all levels of government, and a host of professional colleagues.

The Commission uses an online voucher system through the Controllers' office in Carson City, as well as additional online systems for producing the Commission's annual comprehensive financial report (ACFR), payroll, personnel, and other accounting related functions.

The Senior Accountant's primary job function includes:

- Responsibility for prompt and accurate payments of all monthly operating invoices ensuring payments are made according to State guidelines, internal approval processes, and State budgeting procedures, including agency travel, ordering agency fleet vehicles, equipment, supplies, and employee reimbursements. Preparing, reconciling, reporting and invoicing financial information from various sources for internal and external use. Analyzing data trends and making necessary, appropriate, and informed decisions regarding the data.
- Accounting for the Commission's Hydropower function revenue, related spreadsheets, reconciliations, reporting, journal entries, and analysis.
- Assisting the Group Lead Accountant and Group Chief with special reports; providing information for our outside auditors, federal, state, and other agencies as needed. These reports include Generally Accepted Accounting Principles (G.A.A.P.) based reports and governmental accounting standards. Other reports may be prepared in compliance with specific reporting requirements, State guidelines, or contract not to exceed amounts with outside consultants.
- Assisting the Group Lead Accountant in the compilation, preparation, completion, and review of the Commission's annual ACFR.

- Monthly data input, invoice preparation and analysis of revenue/expense reports related to the Power Delivery and Energy Services functions, including various costs and allocations using fixed and variable components.
- Attending Commission meetings, preparing for and participating in various internal meetings, providing input, analyses, and other information as requested.

**EDUCATION, EXPERIENCE, KNOWLEDGE, AND ABILITIES:**  
***(Minimum Qualifications)***

Bachelor's degree in accounting, finance, or business related, C.P.A. highly preferred, and at least three years of progressively responsible financial accounting and financial statement reporting experience within the last five years, or an equivalent combination of education and experience in performing government and/or utility accounting functions.

Recent working knowledge of governmental accounting theory and principles, governmental accounting standards (GASB). Ability to identify potential problems in accounting records, construct and analyze basic spreadsheets and to communicate the solutions identified. Skill in using spreadsheet and word processing software; financial statement accounting software (CaseWare or similar preferred), producing accounting entries and coding; including journal and adjusting entries and experience in closing procedures.
